Would you like find out more about progressing onto higher level learning?

Yes – then read on!

The Purpose! This free short session will provide you with the knowledge and ability to progress onto Level 4 learning and higher! Find out about higher education, NVQ Level 4 and professional qualifications, where you can do these and other information to support progression. In order to get a place on this popular session, you will need to be undertaking or achieved your Advanced Apprenticeship.

Should I do it? You could benefit if:

- * You are not sure what higher level learning is;
- * You are unsure of what higher level learning opportunities are available for you;
- * You are not sure whereabouts you can study at a higher level learning in the Humber sub-region;
- * You need advice on the opportunities available for a particular occupation.

The details! The session is short, it lasts from 5pm to 7.30pm and is being delivered at **Hull College** on Wednesday 13th May 2009. Its free and will include the following:

- * Useful information on the types of higher level learning offered in the Humber sub-region;
- * The types of places where you can study for a higher level course;
- * What progression pathways are available and how to research those relevant to you;
- * Relevant Career Planning Advise and Guidance;
- * Useful information on the financial support available for higher level learning.

These free sessions are being offered through an Aimhigher Humber funded project. The Aimhigher programme is a key component of government policy to widen and so increase participation in higher education. It aims to encourage groups of learners that are under-represented in higher education to embark on the educational route which they will most benefit from. The project is being delivered in partnership with Aimhigher, Consortium for Learning (CfL) and the Yorkshire and Humber East Lifelong Learning Network (YHELLN).
